

A Checklist of the Birds of Santa Clara County

The distribution of birds observed over the period of a year is charted in this checklist. The checklist, as of 31 March 2005, includes 387 species recorded in the county. Breeding status is indicated by ** for regular breeders and * for irregular breeders. The definitions of line thicknesses and symbols are indicated in the legend below.

	Common
	Fairly Common
	Uncommon
	Rare
	Very Rare or Casual
	Vagrant
	Vagrant over indicated period
